Take a straw...

+++++ **no, really**

We want to encourage people to use straws if they want and not refuse them like in other places. All of our straws, cocktail sticks and refuse bags are biodegradable. We are moving over from plastic shot glasses to biodegradable ones made from corn starch and are also looking at alternative takeaway cup lids. Our waste as per industry standards and UK government law means our glass, paper, PET bottles, cans, cardboard and food waste is recycled. At CC Blooms we are committed to recycling and reducing landfill and plastic waste where possible. We love our environment and hope you can join us in loving it too.
